1. [redacted] Talked with Robert Smart to determine a possible date for the next meeting of the CIA Subcommittee of House Armed Services with the DCI. Mr. Smart suggested the morning of 24 May as a tentative date and this has been so marked on the Director's calendar. Further, I discussed with Smart the question of introduction of our legislation and conduct of hearings. Smart strongly urged that this matter not be pushed with the Chairman at this point but await the DCI's next appearance where it could be discussed fully.

2. [redacted] Talked with Jim Kendall with reference to Senator Stennis' letter of 6 May suggesting the week of May 20 for the DCI to appear before the Subcommittee in connection with its hearings on nuclear test ban proposals. That letter had indicated a possible time during the week of May 20. I suggested possible times which were still available on the DCI's calendar and Kendall indicated that it was doubtful that they could get to the Director that week. However, he would check this and advise further.
